

IMPRESSIVE, MASSIVE 5 BEDROOM FAMILY HOME IN THE IDEAL LOCATION

Under Application

Huge proportions, perfectly suitable for accommodating a large family or for accommodating several generations, reflect the flexibility of a design that has clearly stood the test of time. A massive, memorable living/dining area featuring a bar that enhances the ability to entertain is accompanied by an open fire-place and currently includes a full size billiards table for the family entertainment.

A central, similarly spacious family room/everyday dining domain, with a Coonara wood heater, is adjoined by the kitchen, where retro character is complemented by a dish-washer and modern gas appliances. Size is also the defining attribute of the accommodation, comprising five bedrooms and two bathrooms, including a main bedroom with a walk-in robe and ensuite.

Outdoors, an alluring swimming pool and a gazebo inspire ideas of garden enjoyment on an allotment where ample parking assists in illustrating the scale of the proportions – and the appeal of the potential – close to Mulgrave Primary School and Gladeswood Reserve playground. A bus stop right by the front door, easy access to Waverley Gardens Shopping Centre and a quick drive to the Monash and Eastlink freeways further enhance a fabulous opportunity.
